Warm greetings from your own alma mater and Happy New Year!

Dear Students,

For last two years current and former students of CNLU have been requesting me to hold the pending Convocations. No Convocation has been held after 2019 batch's Convocation. Finally, the Convocation is going to be held on January 3, 2026.

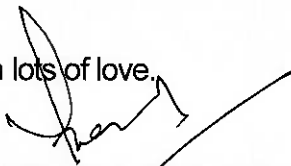

I would also like to clarify that the fee of Rs. 4,000/- has not been fixed by me but was fixed in 2020 (copy enclosed) which was in fact an online Convocation.

I have also reconfirmed from the Finance Officer and seen the record. No Convocation fee has been charged from any student after the last Convocation was held in 2020.

I was expecting students would be excited to have their Convocation in the newly constructed Auditorium, but I am sad to see lack of enthusiasm. This is deeply demotivating.

We need to place order for the Gowns and therefore I request you to immediately confirm your participation so that necessary arrangements are made.

With lots of love,

Prof. (Dr.) Faizan Mustafa,
Vice-Chancellor.
