Evaluation Criteria:

An evaluation committee constituted by CNLU will evaluate the technical and commercial quotations as per the following procedure:

- i. Conditional quotations may be summarily rejected.
- ii. CNLU will examine the quotations to determine their completeness, identify any computational errors, and ensure that they are generally in order.
- iii. Arithmetical errors will be rectified on the following basis:
 - a. If there is a discrepancy between the unit price and the total price obtained by multiplying the unit price by the quantity, the unit price shall prevail, and the total price will be corrected accordingly.
 - b. If the bidder does not accept the correction of errors, their quotation will be rejected.
 - c. In case of a discrepancy between words and figures, the amount in words will prevail.
- iv. CNLU may conduct clarification meetings with any or all bidders to discuss any matters, technical or otherwise.
- v. The evaluation committee also has the authority to make decisions regarding the execution and implementation of the project.
- vi. The quotation document shall be evaluated as per the following steps.
 - a. **Evaluation of quotation Documents**

Eligibility Criteria: The submitted documents will be examined to determine whether the bidder meets the prescribed eligibility criteria and secures a minimum of **50 marks out of 100** as per the Technical Bid Evaluation Sheet as per Annexure-II. Quotations scoring less than 50 marks or failing to meet the eligibility criteria shall be rejected and excluded from further consideration.
 - b. **Evaluation of Financial bid**

Lowest Commercial Cost (L1): The commercial quotations will only be opened for bidders whose technical quotation is found responsive. The quotation with the lowest commercial value (L1) among the qualified quotations will be considered the successful bidder.

Quotation Rejection Criteria:

Quotations may be rejected under the following circumstances:

- i. **Incorrect Submission Portal:** quotations submitted on any platform other than the e-Procurement Portal <https://eproc2.bihar.gov.in/> mentioned in the tender document will be rejected.

analysis, as determined by CNLU.

- v. **Material Deviations:** quotations containing material deviations or conditions unacceptable to CNLU.
- vi. **Failure to Respond:** quotations from bidders who do not respond to queries or not provide documents sought by CNLU within the stipulated time.

Opening of Quotation:

- i. Quotation shall be opened in the presence of the designated authority / authorities and representatives of the quoters who wish to be present. The date of the financial quotation opening will be communicated to the shortlisted bidders at a later time.

Award of work:

- i. The work will be awarded to the lowest bidder (L1).

Performance Security & Agreement:

- i. The bidder shall enter into an agreement on a Rs. 1,000 (Rupees One Thousand) non-judicial stamp paper within 10 working days from the date of the work order.
- ii. Performance security shall be **5% (Five Percent)** of the total quoted amount without tax. EMD shall be adjusted in the amount of performance security.
- iii. First lowest bidder can deposit an amount of performance security after deducting the amount of EMD in the form of a Demand Draft (DD) in favor of the Registrar, Chanakya National Law University, Patna, at the time of signing the agreement.
- iv. Failing to do so, the security deposit will be deducted from the on-account running bills.
- v. The Security Deposit shall be refunded **after sixty (60) days from the date of successful completion of three (3) years**, calculated from the date of issuance of the Acceptance Certificate. No interest will be paid on the **security deposit**.

Goods Inspection:

- i. The inspection of the goods is essential to ensure their conformity with the technical specifications outlined in the tender document. A report bearing the signature of a competent authority from the Original Equipment Manufacturer (OEM) and including detailed information such as the serial and model number of the equipment, shall be provided to the University. This report, along with the manufacturer's warranty certificate, will be furnished to the purchaser together with the supplied items.

Acceptance Testing:

- It is required that all equipment operate uninterrupted and without issues for a duration of **five (5)** working days at the University, following installation and completion work measurements. No additional charges shall be paid to the SI for conducting these acceptance tests.
- It is crucial that there are no malfunctions, partial or complete hardware failures, or any other issues, including deformities, during the testing period.
- **Rectification Grace Period:** If the supplied items fail to meet the acceptance testing criteria, the SI must immediately replace the supplied items and ensure successful completion of the acceptance testing. Failure to do so, the decision of the higher authority of CNLU in this regard will be final.
