### Delivery Mode

Classes are conducted on campus, with flexible options designed to ensure that no learner loses continuity:

<b>On-Campus Classes</b> All scheduled sessions are delivered in person at the CNLU campus, Patna — with full access to labs, faculty, and peer learning.	<b>Remote Attendance</b> A live remote-attendance option is available for students who are unable to be present on campus on any given day.	<b>Recorded Sessions</b> Every class is recorded and uploaded to our LMS, so you can revisit lectures or catch up on anything you may have missed.

*You never lose continuity if you miss a class — between live remote attendance and recorded sessions on the LMS, the programme is built around your schedule while preserving the rigour of a full-time on-campus Master's degree.*
