

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is executed on the 05th Day of April 2024.

between

**Chanakya National Law University,
Patna, India**

and

**Indo-European Education
Foundation (IEEF), Warsaw, Poland**

Indo-European Education Foundation
A Bridge between India, Poland and EU

This Memorandum of Understanding outlines the wish of Chanakya National Law University, Patna, India; and Indo-European Education Foundation (IEEF), Warsaw, Poland; with the objective to develop academic collaborations with India, Poland, Germany, and other European (European Union) universities, industries based on specific research projects in the following areas:

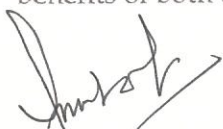

1. **Academic Cooperation:** to the end of enhancing global competitiveness and accelerate the knowledge-based economy, the two partners agree to cooperate in the organization of timely joint forums, conferences, seminars, joint lectures, online courses, research studies, workshops, joint projects, joint publications, training programs for students, scholars, and corporates, etc. It also provides the opportunity to start and participate in the following projects:
 - *Interdisciplinary career-oriented courses*
 - *Faculty development and exchange programs*
 - *Student exchange programs*
 - *Summer schools for students in India, Poland, and other countries*
 - *Joint legal clinics and moot court competitions*
2. **Non-Academic Cooperation:** The foundation (IEEF) will provide support to the partner university for the development of projects and academic ties with Polish and European Universities, academic institutions as well and governmental organizations and provide support for launching new projects.
3. **Corporate / MNCs Cooperation:** This program is to establish a new relationship between academia and Industries. Under Corporate Program Partner university will be able to access - internships and campus counseling for their students to go abroad (Poland, EU), support for existing courses to be launched mutually, or design new courses, and training programs for students and scholars for Indian, Polish and the companies from the European Union.
 - **Academia-Industry Experience in the European Union- AIEEU (EU):** a group of students and/or staff who will undertake short-term physical mobility (10-15 days) to Poland/Germany including other destinations at the EU's (ICC & ICJ, Hague, Netherlands) universities and Industries combined with compulsory intercultural classes and industrial training abroad.
 - **Comparative Legal Clinic Workshops:** international workshops, seminars, and legal consultation camps will be organized and addressed by law experts from different fields and many countries EU (including India). It'll be a legal exposure experience based on a comparative analysis of Civil Law and Common Laws. All identified legal universities, institutions, and law-making organizations will be part of this project.

The implementation of this understanding is contingent upon satisfaction of the requirements and expectations of the appropriate faculty governance; upon the approval of the proposal by the executive officers of both institutions, and where appropriate by the institution's Board of Trustees.

Any suggestions for changes in the substance or scope of this Memorandum of Understanding (MOU) should be presented in writing, by the signatories proposing at least 6 (six) months before the end of the academic year in progress.

1. To initiate any of the above activities, detailed working plans should be elaborated in the future that would result from mutual consultation and negotiations and would be signed by both partners. Chanakya National Law University, Patna, India; and Foundation (IEEF) may refer to this program in their catalogs and other appropriate publication materials.
2. Neither this Memorandum nor any following agreement is a contract to create financial obligations for either institution/organization. This Memorandum and its subsequent agreements are designed solely to facilitate the development of mutually beneficial and collaborative initiatives. Notwithstanding any other provisions of this Memorandum of Understanding or any agreement concluded in pursuance thereof, no agency is created between the parties.
3. MoU shall come into force on the day of its signature and will be valid for five (5) years. In case of no notification of termination, the MOU will be continued automatically for an unlimited period. Any suggestions for changes in the substance or scope of this Memorandum of Understanding (MOU) should be presented, in writing, by the signatories.
4. Both parties shall take all reasonable steps to ensure the successful implementation of the collaboration and shall cooperate in the fulfillment of their respective obligations.
5. Either institution/organization may terminate this Memorandum at any time. In so doing, the duty-authorized representative of the Institution initiating such action shall give written notice to the other party at least six (6) months before the end of the academic year then in progress, unless the parties mutually agree upon an earlier termination date. This Agreement was drawn up in two identical copies in English language, one for each of the Parties.

Whereas this Memorandum of Understanding is executed between both the parties for mutual benefits of both the parties without any force, undue influence and coercion.
